PROJECTS

BUSSINESS VISION EXTENSION

1

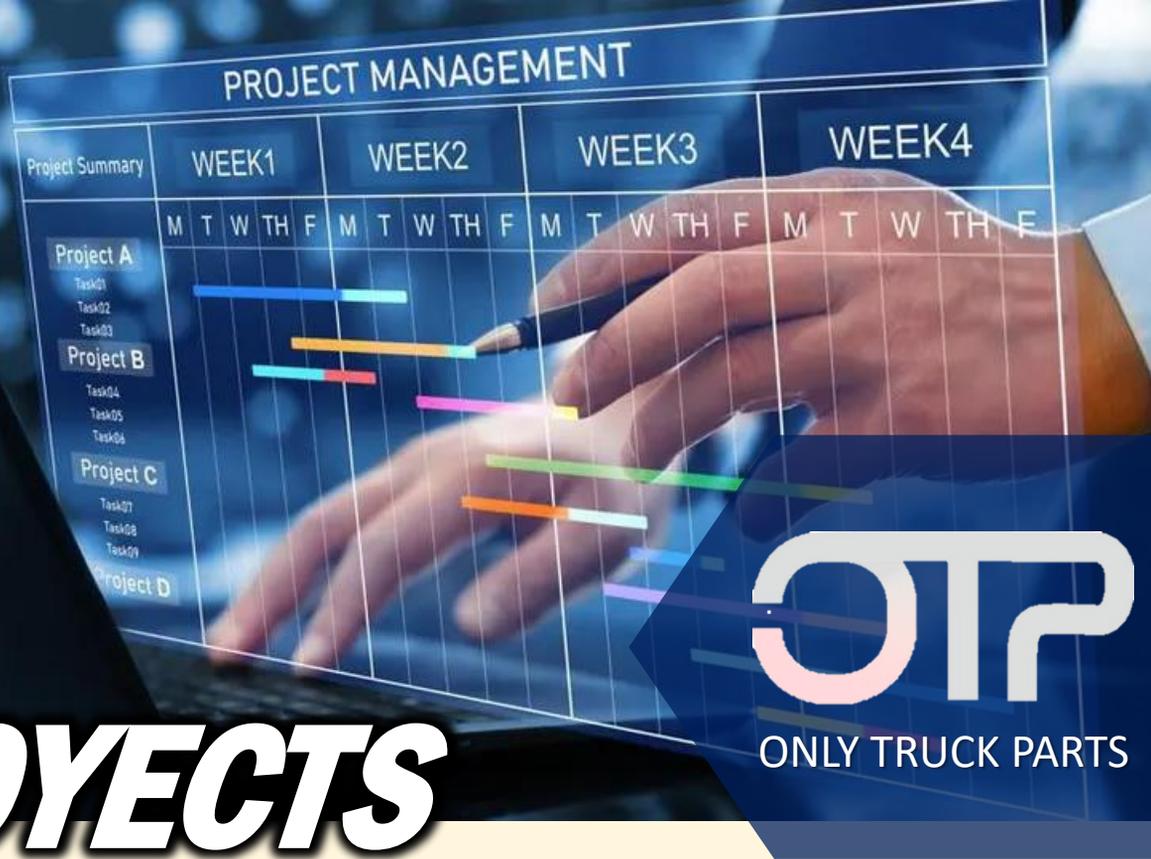

WORKSHOP

The Only Truck Parts Business Plan foresees the activation of a new MAINTENANCE SHOP for heavy vehicles at our base of operations in Odessa, Texas.

This will allow us to comprehensively serve our clients, supplying quality products and highly qualified labor for truck maintenance, providing a response to this market need in the town.

ONLY TRUCK PARTS
*envisions further
 expanding its scope
 of operations from
 2024*

BUSSINESS VISION EXTENSION

2

SALES TEAM

Only Truck Parts plans to expand its team of sales specialists, with the goal of reinvigorating its product placement reach at the state and national level in the United States.

ONLY TRUCK PARTS envisions further expanding its scope of operations from 2024

This project contemplates the incorporation of personnel and the creation of the automated online purchasing system, through our website.
